Disclaimers:

- Figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.
- Vehicle should be cleaned with fresh water after offroad use.
- Payload and tare weight figures are based on vehicle certification. It is the driver's responsibility to ensure: weight of fully loaded vehicles do not exceed GVM; front and rear axle load limits are not individually exceeded; the combined weight of the fully loaded vehicle (including tow ball download when towing) and trailer does not exceed the GCM; compliance to State and Territory towing regulations. Payload is the combined value of occupants, luggage, cargo, added options, accessories and tow ball download (when towing). Tare weight includes the vehicle with 10 litres of fuel and all standard equipment excluding occupants. Additional weights of optional features, occupants, luggage, cargo, accessories and tow ball download (when towing) must be taken into account when calculating payload and tare weight. When a genuine tow bar and wiring are fitted, blind spot monitoring will be disabled.
- Safety technologies operate within system parameters and may not operate, or may not operate optimally, under certain conditions. Safety technologies are not a substitute for the driver's control over the vehicle. The driver remains responsible for the vehicle. See owner's manual for complete details.
- Amazon Music app requires an active and paid subscription, which is the responsibility of the user. Requires mobile data, network reception and a GPS signal in order to operate. Will not be available in areas that are not covered by Optus 4G network in Australia or if services are terminated or disabled. Features are subject to change.
- LDV Connected Services Standard are complimentary for 5 years from vehicle delivery including vehicle app connectivity and vehicle status check. Charges may apply thereafter. LDV Connected Services require mobile data, network reception and a GPS signal in order to operate. Will not be available in areas that are not covered by Optus 4G network in Australia or if services are terminated or disabled. Features are subject to change.
- LDV Connected App requires an active, compatible device with mobile data, internet access and the app installed. The user is responsible for internet access and mobile network data charges required for the LDV Connected App. Features and app are subject to change without notice at anytime.
- Connected Services Premium (Online Map Navigation, Online Voice, Online Weather) and Premium Plus (Online Map Navigation, Online Voice, Online Weather, Online Music) are complimentary for 1 year from vehicle delivery. Charges may apply thereafter. LDV Connected Services require mobile data, network reception and a GPS signal in order to operate. Will not be available in areas that are not covered by Optus 4G network in Australia or if services are terminated or disabled. Features are subject to change.
