Disclaimers:

- Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.
- Payload and tare weight figures are based on vehicle certification. It is the driver's responsibility to ensure: weight of fully loaded vehicles do not exceed GVM; front and rear axle load limits are not individually exceeded; the combined weight of the fully loaded vehicle (including tow ball download when towing) and trailer does not exceed the GCM; compliance to State and Territory towing regulations. Payload is the combined value of occupants, luggage, cargo, added options, accessories and tow ball download (when towing). Tare weight includes the vehicle with 10 litres of fuel and all standard equipment excluding occupants. Additional weights of optional features, occupants, luggage, cargo, accessories and tow ball download (when towing) must be taken into account when calculating payload and tare weight. When a genuine tow bar with wiring is fitted, and trailer is attached, parking sensors will be disabled.
- Safety technologies may not operate optimally under all driving conditions, operation and effectiveness depends on many factors. Driver is responsible for safe and attentive driving. Safety technologies are not a substitute for the driver's control over the vehicle. See owner's manual for complete details.
- Maximum of 75kg weight.
- Leather accented features and upholstery contain some synthetic materials.
- Subject to terms, conditions and exclusions at ldvautomotive.com.au
- It is the owner's responsibility to present the vehicle at an authorised LDV dealership for the service within +/- 60 days or 1,500kms of the first scheduled service interval (being 5,000kms or 6 months from the date of first registration (whichever comes first)). The scheduled service excludes fair wear and tear items and any additional work or components required that are not set out in the service schedule located in the owners service and warranty booklet. Not transferrable or redeemable for cash.
