Disclaimers:

1. Safety technologies may not operate optimally under all driving conditions, operation and effectiveness depends on many factors. Driver is responsible for safe and attentive driving. Safety technologies are not a substitute for the driver's control over the vehicle. See owner's manual for complete details.
2. Payload and tare weight figures are based on vehicle certification. It is the driver's responsibility to ensure: weight of fully loaded vehicles do not exceed GVM; front and rear axle load limits are not individually exceeded; the combined weight of the fully loaded vehicle (including tow ball download when towing) and trailer does not exceed the GCM; compliance to State and Territory towing regulations. Payload is the combined value of occupants, luggage, cargo, added options, accessories and tow ball download (when towing). Tare weight includes the vehicle with 10 litres of fuel and all standard equipment excluding occupants. Additional weights of optional features, occupants, luggage, cargo, accessories and tow ball download (when towing) must be taken into account when calculating payload and tare weight. When a genuine tow bar and wiring are fitted, blind spot monitoring will be disabled.
3. Leather accented features and upholstery contain some synthetic materials.
4. Terms, conditions and exclusions apply. The Capped Price Servicing Program is available to retail customers and fleet and business customers nominated by LDV Automotive. Rental, government, and motorhome purchases are excluded. For full terms, conditions and exclusions please see ldvautomotive.com.au. LDV Automotive reserves the right to at any time modify or discontinue the Capped Price Servicing program.
