Ultra Fused® Radiator Panels

Designed for heavy-duty performance, these radiators feature advanced welded-joint technology for superior strength & durability.

- Premium tube-to-header joint is up to 20x stronger than conventional soldered joints
- Reduced solder at the header enhances corrosion resistance
- Built to endure extreme stress & vibration in harsh conditions
- Delivers consistent cooling to support engine efficiency
- Minimises downtime & extends component life
- 2-year unlimited kilometre warranty for peace of mind

Ultra Seal® Charge Air Coolers

Engineered for durability, Ultra Seal® features a silicone grommet system that effectively manages thermal expansion, ensuring long-lasting performance in demanding conditions.

- Manages thermal expansion & vibration to prevent leaks & infant failure modes
- More durable than brazed units, especially under heat & stress
- Boosts Uptime by reducing the risk of premature radiator failure
- Lowers maintenance & replacement costs
- 2-year unlimited kilometre warranty for peace of mind

Condenser Assemblies

Designed for fleet & long-haul use, they deliver reliable, long-lasting cabin cooling to keep drivers comfortable & operating costs low.

- Fast, consistent cooling enhances driver comfort & focus
- Essential where climate control impacts safety & productivity
- Built for long service life, reducing downtime & replacements
- Lowers repair & running costs, improving total cost of ownership

Pin Fin Auxiliary Coolers

Engineered for extreme conditions, these compact heat exchangers deliver high-performance cooling & maximum durability.

- Withstands high temperatures & pressures for reliable operation
- Finned design maximises surface area for improved heat dissipation
- Performs consistently in hot, rugged & vibration-prone settings
- Compact size fits easily into tight engine bays or underbody spaces

Kenworth drivers take a lot of pride in keeping their rigs looking great. The comprehensive Kenworth Genuine Cleaning Range makes it even easier to keep your truck gleaming.

Specially formulated and developed to be used on Kenworth trucks (but also works great on other premium vehicles), the range of cleaning products are the industry's most advanced with the inclusion of ceramic Silicon Dioxide technology.

The Kenworth Genuine Cleaning Range has also been tested by PPG Industries for compatibility with the PPG paint used on the Kenworth production line and has been formulated and manufactured in Australia specifically for Australian conditions.
