DAILY

drive smarter

Thanks to IVECO Accessories, you can make your working and driving experience even more exciting and unique, through a full line of products specifically designed for your vehicle. Integrate your mobile workstation with the most up-to-date technology thanks to the new **Wi-Fi Apple and Android Car Play System**. Active and passive additional safety systems help you to better protect your Daily: a tailor-made **Presence Detection System** allows you to perceive whether the presence of an obstacle is in the blind spot. A completely new and revolutionary system of **wiper blades** and **LED rear lights** will increase safety and profitability during everyday activity.

Versatility

Luggage Rack

There are a wide range of luggage rack options covering each configuration type and wheelbase. It is made from a lightweight aluminium structure that is totally corrosion-proof, easy to repair in case of damage and maintenance free. It can be easily installed on the existing fixing points and without having to perforate the bodywork. Roof-top anchoring distributes the load in an even and safe manner. Two versions are available; standard and long, to satisfy all needs.

PN	Description
500050810	Standard Luggage Rack (2,600 × 1,700mm) 3000 Wheelbase
500050811	Long Luggage Rack (3,000 × 1,700mm) 3000 Wheelbase
500050812	Standard Luggage Rack (2,600 × 1,700mm) 3520 Wheelbase, H1
500050813	Long Luggage Rack (3,200 × 1,700mm) 3520 Wheelbase, H1
500050814	Standard Luggage Rack (2,800 × 1,500mm) 3520 Wheelbase, H2
500050815	Long Luggage Rack (3,200 × 1,500mm) 3520 Wheelbase, H2
500050816	Standard Luggage Rack (2,800 × 1,500mm) 3520L Wheelbase, H2
500050817	Long Luggage Rack (3,500 × 1,500mm) 3520L Wheelbase, H2
500050818	Standard Luggage Rack (2,800 × 1,500mm) 4100 Wheelbase, H2
500050819	Long Luggage Rack (4,500 × 1,500mm) 4100 Wheelbase, H2
500050820	Standard Luggage Rack (3,200 × 1,500mm) 4100L Wheelbase, H2
500050821	Long Luggage Rack (4,500 × 1,500mm) 4100L Wheelbase, H2

Fitting your mission

Tube Holder

PN	Description
500050822	Tube/Conduit Holder 3 Metres
500050823	Tube/Conduit Holder 4 Metres

Ladder

500050830	Floor Platform 3500

Beacon Holder

PN	Description
500050831	Beacon Holder

Load space trim

The load space trim has been custom-designed for the Daily. The flooring can be easily removed, yet remains firmly in place. The panels provide the vehicle with the best possible protection as they are extremely resistant to humidity, chemical agents and scratches. The flooring is manufactured from 12mm phenolic laminate and the side panels are manufactured from 4mm propylene with an internal honeycomb structure.

PN	Description
500051031	Flooring Kit 3000 Wheelbase Single Wheel
500051032	Flooring Kit 3520 Wheelbase Single Wheel
500051033	Flooring Kit 3520L Wheelbase Single Wheel
500051034	Flooring Kit 4100 Wheelbase Single Wheel
500051035	Flooring Kit 4100L Wheelbase Single Wheel
500051036	Flooring Kit 3520 Wheelbase Double Wheel
500051037	Flooring Kit 3520L Wheelbase Double Wheel
500051038	Flooring Kit 4100 Wheelbase Double Wheel
500051039	Flooring Kit 4100L Wheelbase Double Wheel

500051040	Panel Kit 3000 Wheelbase, H1
500051041	Panel Kit 3520 Wheelbase, H1
500051042	Panel Kit 3520 Wheelbase, H2, H3
500051043	Panel Kit 3520L Wheelbase, H2, H3
500051044	Panel Kit 4100 Wheelbase, H2, H3
500051045	Panel Kit 4100L Wheelbase, H2, H3

Fitting your mission

Profitability

Air flow system

The original airflow system consists of spoilers and a specific aerodynamic kit designed for the fixed sport line spoiler. All roof spoilers guarantee an excellent aerodynamic solution to reduce fuel consumption and come in both fixed and adjustable versions. A solid but lightweight design comes into play thanks to the use of structural webbing and internal ribs coupled with resin. The inserts are treated to give excellent mechanical strength, thanks to the use of structural frames made from corrosion-resistant materials and installation is fast and simple. The aerodynamic kit is tested in the wind tunnel and on road to ensure enhanced fuel savings.

PN	Description
500051757	Aerodynamic kit - compatible with Fixed Roof Spoiler Sport Line*
500050771	Fixed Roof Spoiler Sport Line*

*Standard colour: white

PN	Description
500050772	Adjustable Roof Spoiler Sport Line

To maximise the efficiency

Sun visor

The sun visor reduces the effect of the sun and helps prevent ice forming on the glass in winter while keeping the cab cooler in hot temperatures.

- Material: Plexiglass
- Thickness: 6mm

PN	Description
500051520	Sun visor**

**Not to be mounted when the following OPT are installed: 14522 ACC (Adaptive Cruise Control), 72803 ACC + Queue Assist, 2912 LDWS (Lane Departure Warning System), 72805 LDWS + Proactive Lane Keeping Assist, 72806 AEBS (Advanced Emergency Braking System) + CITY BRAKE, 72841 Automatic Wipers and Headlights, 72839 AHBC (Automatic High Beam Control).

Wiper Clean Vision

Distributing washer fluid on the windshield all along the blade through its structure.

PN	Description
500051657	Wiper Clean Vision
500051658	Kit Clean Vision

Window Deflectors

Made in methacrylate, the window deflectors reduce the aerodynamic resistance and turbulence without affecting visibility.

PN	Description
500051521	Deflectors
500051658	Kit Clean Vision

LED Ambient Interior Strip Kit

These LED strips are perfect to illuminate the usually dimly lit cargo area, by easily connecting them to the original ceiling light. They are also ideal applications inside motorhomes and/or caravans.

PN	Description
500051656	LED Ambient Interior Strip Kit

Safety

Lightbar

The lightbar when fitted with additional lights, has been developed to increase the safety of the vehicle, allowing perfect vision of the road at long distance.

PN	Description
500051470	Lightbar***

***Lights not included.

Rear Light Grille

The rear grille protects the light from stones and accidental knocks, without impacting visibility and safety.

PN	Description
500051655	Rear light grille

LED Rear Light

The LED rear light greatly improves your vehicle's visibility and safety in all conditions, whilst requiring much less energy than standard lights.

PN	Description
500051654	Plate required for first assembly
500051673	Right-hand LED rear light
500051674	Left-hand LED rear light

Wherever safe

Tow Bar

IVECO Tow Bars have been developed and tested in Europe specifically for the various Daily models. Featuring heavy-duty construction, they have been designed to be integrated with each vehicle.

Refer to your IVECO Dealer for the correct tow bar for your vehicle.

Fuel Caps & Anti-Theft System

Tested by IVECO for the New Daily, the fuel anti-theft systems provide the following advantages:

- Prevent fuel theft
- Quick refuelling at 120L/min
- Easy and fast installation

PN	Description
500051030	Fuel Anti-Theft System
2993927	Fuel Cap with Key

Emergency and First Aid Kit

Kit includes:

- Black clutch bag with IVECO screen printing
- Hi-vis vest
- Compact Euro micro triangle
- Torch with 19 white high-brightness LEDs, with non-slip grip and 3 batteries included
- First aid kit certified DIN13164
- Bulb and fuse set

PN	Description
500050777	Emergency and First Aid Kit

Tool Boxes

Perfect for outfitting any type of vehicle thanks to the wide range of accessories and customisations available.

PN	Description
500050200	Matt Stainless Steel Case 500 x 350 x 400mm (5000505215 Brackets)
500050210	Rear Cab Wall Storage Box in White painted Stainless Steel / 500 x 1200 x 1870mm

Radar Blind Spot Detection system

Blind Spot Detection (BSD) system warns drivers with an audible & visual warning if there are vehicles in adjacent lanes that the driver may not see. The alerts allow drivers to proceed with caution if they are planning a lane change.

Characteristics:

- 79GHz Microwave radar technology
- No need for drilling any holes
- Sensors are mounted inside the plastic bumper by 3M stickers
- With speed detection
- 120° wide detecting degree
- Indicator can be triggered when vehicle is in blind spot zone

PN	Description
500051645	Radar Blind Spot, installation and cable kit for Daily Cab Chassis long version (included holder for installation)
500051646	Radar Blind Spot, installation and cable kit for Daily Cab Chassis short version (included holder for installation)
500051647	Radar Blind Spot, installation and cable kit for Daily Van short version
500051648	Radar Blind Spot, installation and cable kit for Daily Van long version

Wherever safe

Tyre pressure monitoring system

The tyre pressure monitoring system keeps the temperature and the pressure status of the tyres always under control.

Two different versions are available:

TPMS light truck

The kit contains:

- 4 Valve Cap Sensors
- 4 Dustproof covers
- 1 Display: L42 x W88 x H14mm

Characteristics:

- Pressure range: 0-5.2Bar / 0-75PSI
- Visual and audible warning
- Self testing for each power on
- Intelligent sleeping mode for power saving

TPMS compatible with A/V input

This TPMS is compatible with the multimedia system (PN 500051523, PN 500051524, PN 500051525, PN 500051638, PN 500051639, PN 500051640)

The kit contains:

- 4 Valve-cap sensors
- 4 Dustproof covers
- 1 EDC Unit

Characteristics:

- Pressure range: 0-4.5Bar / 0-65PSI
- One-press button to on/off the system on the A/V monitor
- Visual and audible warning
- Self testing for each power on

PN	Description
500051505	TPMS Light Truck
500051506	TPMS compatible with A/V input
500051507	Kit of 2 Additional Valve Cap Sensors

Hi-Tech & connectivity

Always connected

Wireless Carplay - Wireless Android Auto

Wireless Apple CarPlay/Wireless Android Auto allows you to connect your iPhone or Android smartphone to your vehicle without needing a USB cable.

In order to do this, you need a compatible smartphone or an iPhone 5 or later, iOS 7.1 or later, and a vehicle that supports this system.

Wireless Apple CarPlay/Wireless Android Auto functions are the safest way to benefit from your smartphone functionalities when driving.

What does it do exactly? It displays all the most useful smartphone functionalities on your vehicle's display. There is Maps, which is extremely helpful when the vehicle is not fitted with a sat nav, a classic phone function, meaning you can access your contacts easily and make hands-free calls. You can also read and send messages, it is compatible with Apple Music and Spotify as well as third-party apps. Including Sigic, WhatsApp, Tidal, Audible and many others.

Wireless Apple CarPlay and Wireless Android Auto can be controlled in three different ways:

- using Siri/Google Voice for voice commands;
- by tapping the touch display;
- with any handles or knobs used to control the vehicle's infotainment system.

Main characteristics:

- Radio with ADVANCE TUNER AM/FM
- DAB radio + with DAB+ Daily 2021 antenna rescan
- 9" WVGA TFT LCD DIGITAL monitor
- Capacitive display with high brightness and resolution (1,024 x 600 pixel)
- Anti-reflective touchscreen
- Dynamic graphic interface customised for IVECO
- Pop-up when switching on with IVECO logo
- On-line navigation
- Integrated Bluetooth® version 4.2
- Integrated Wi-Fi
- Resetting of controls on Daily 2021 steering wheel
- Reverse camera input
- RCA cable with four ports
- 1 subwoofer output
- Dual Zone A/V function

Multimedia reader:

- MP4/WMV/AVI/MKV video formats
- MP3/WMA/WAV/AAC audio formats
- JPG/JPEG/BMP/PNG image formats

PN	Description
500051638	CarPlay Wireless/Android Auto Wireless
500051639	Wireless CarPlay + camera kit for Daily Cab
500051640	Wireless CarPlay + camera kit for Daily Van
500051648	Radar Blind Spot, installation and cable kit for Daily Van long version

Comfort

More enjoyable travel

Fabric Mats

A woven IVECO logo and coloured edges. Double-fixing system helps them stay in place to avoid potentially hazardous situations.

PN	Description
500051076	Premium Red
500051077	Premium Blue
